GSV GLOBAL SECURITY VERIFICATION

This document verifies that on the date below, the named facility has voluntarily participated in the Global Security Verification program. A comprehensive supply chain security verification of the named facility was conducted by an independent third-party to determine appropriate minimum security measures, as published by the U.S. Bureau of Customs and Border Protection, are implemented and maintained throughout the facility.

Al-Abid Exports (Pvt.) Ltd.

A-8/H S.I.T.E., Karachi, Sindh -Pakistan

Verified on: Jan 31, 2011
Expires on: Jan 30, 2012

Specifically, this verification focused on existing processes, procedures and infrastructure related to the following areas of supply chain security:
1. Export logistics
2. Physical Security
3. Shipment Information Controls
4. Personnel Security
5. Storage & Distribution
6. Information Access Controls
7. Record & Documentation
8. Contractor Controls

This independent verification of security measures was performed using a process driven approach, based on risk, which incorporates a weighted and scored data collection instrument to provide objective results on the facility's level of adherence across the eight critical supply chain security areas.
