

Intertek

This document verifies that on the date below, the named facility has voluntarily participated in the Global Security Verification program. A comprehensive supply chain security verification of the named facility was conducted by an independent third-party to determine appropriate minimum security measures, as published by the U.S. Bureau of Customs and Border Protection, are implemented and maintained throughout the facility.

Al-Abid Silk Mills Limited – Stitching Unit # 4

A-29/B Manghopir Road, S.I.T.E., Karachi,
Sindh, Pakistan

Verified on: Mar 03, 2011
Expires on: Mar 02, 2012

Specifically, this verification focused on existing processes, procedures and infrastructure related to the following areas of supply chain security:

1. Export logistics
2. Physical Security
3. Shipment Information Controls
4. Personnel Security
5. Storage & Distribution
6. Information Access Controls
7. Record & Documentation
8. Contractor Controls

This independent verification of security measures was performed using a process driven approach, based on risk, which incorporates a weighted and scored data collection instrument to provide objective results on the facility's level of adherence across the eight critical supply chain security areas.

Andre Raghu
Program Director

Raquel Sese
Program Manager

Enquiries on current status and details of verifications can be made online at www.importsecurity.com

This document confirms that an independent verification of the security processes and procedures of the named facility, on the date specified, was performed against pertinent security criteria to determine the level of adherence. This document should not be relied upon as a demonstration of security standards beyond the expiry date. Periodic verifications of the facility's ongoing processes should be conducted based on risk, to ensure sustaining adherence to security standards.

Certificate No.: GSV-PAK-08-G-00022-R2
