AL-ABID SILK MILLS LIMITED

DIRECTORS' REPORT TO SHAREHOLDERS

The Board of Directors of Al-Abid Silk Mills Limited is pleased to present the Company's condensed interim financial statement for the quarter ended on September 30, 2026.

As reported earlier, trial production activities on the Coating and Flocking lines commenced during the last quarter of the financial year 2026. The Company continues to actively pursue business opportunities with both domestic and international customers. Numerous product samples have been dispatched for evaluation and approval, with the objective of gradually reviving the Company's business operations.

Ongoing geopolitical tensions between the United States and Iran have contributed to volatility in international oil prices and inflationary pressures, adversely affecting the overall economic environment and causing delay in decision making by the customers.

The Company remains committed to restoring its operations, creating employment opportunities, and contributing to the country's foreign exchange earnings through the revival of its export business.

Future Outlook

The global economic environment remains uncertain amid ongoing geopolitical tensions and related economic challenges. Notwithstanding theses uncertainties, management remains focused on the gradual revival of the Company's principal manufacturing facilities. This will be pursued in phases, with the eventual resumption of the Back Process and Dye House being key priorities, subject to prevailing business conditions and the availability of resources.

ACKNOWLEDGMENT:

The Board of Directors expresses its sincere gratitude to the shareholders and financial institutions for their continued support, confidence, and trust in the Company.

For and on behalf of the Board of Directors

Director

Azim Ahmed
Chief Executive Officer

Karachi: October 29, 2026

AL-ABID SILK MILLS LIMITED

حصص داران کیلئے ڈائریکٹرز کی رپورٹ

العابد سلک ملز لمیٹڈ کے بورڈ آف ڈائریکٹرز کو 30 ستمبر 2026ء کو ختم ہونے والی پہلی سہ ماہی کیلئے کمپنی کا مجموعی مالیاتی حسابات پیش کرتے ہوئے خوشی ہو رہی ہے۔

جیسا کہ پہلے بھی بتایا جا چکا ہے، مالی سال 2026 کی آخری سہ ماہی کے دوران کوننگ اور فلاکنگ لائنوں پر آزمائشی پیداوار کا آغاز ہو گیا ہے۔ کمپنی مقامی اور بین الاقوامی صارفین کے ساتھ کاروباری مواقع کے حصول کے لیے مسلسل سرگرم عمل ہے۔ مصنوعات کے متعدد نمونے جانچ اور منظوری کے لیے بھیجے جا چکے ہیں، جن کا مقصد کمپنی کی کاروباری سرگرمیوں کو بتدریج بحال کرنا ہے۔

امریکہ اور ایران کے درمیان جاری جغرافیائی و سیاسی کشیدگی کے باعث عالمی منڈی میں تیل کی قیمتوں میں اتار چڑھاؤ اور افراطِ زر کے دباؤ میں اضافہ ہوا ہے۔ اس صورتِ حال نے مجموعی معاشی ماحول کو متاثر کیا ہے اور صارفین کی جانب سے فیصلے کرنے کے عمل میں تاخیر کا سبب بنی ہے۔

کمپنی اپنی کاروباری سرگرمیوں کو بحال کرنے، روزگار کے مواقع پیدا کرنے اور برآمدی کاروبار کی بحالی کے ذریعے ملک کے لیے زرمبادلہ کمانے میں اپنا کردار ادا کرنے کے عزم پر قائم ہے۔

مستقبل کی پیش بینی:

جاری جغرافیائی و سیاسی کشیدگی اور اس سے وابستہ معاشی مشکلات کے باعث عالمی معاشی ماحول بدستور غیر یقینی صورتِ حال سے دوچار ہے۔ ان غیر یقینی حالات کے باوجود، انتظامیہ کمپنی کی بنیادی پیداواری سہولیات کو بتدریج بحال کرنے پر توجہ مرکوز کیے ہوئے ہے۔ یہ عمل مرحلہ وار مکمل کیا جائے گا، جس میں کاروباری حالات اور وسائل کی دستیابی سے مشروط طور پر بیک پریسس اور ڈائی ہاؤس کی سرگرمیوں کو دوبارہ شروع کرنا اہم ترجیحات میں شامل ہوگا۔

اظہارِ تشکر:

بورڈ آف ڈائریکٹرز کمپنی کے حصص یافتگان اور مالیاتی اداروں کا ان کے مسلسل تعاون، اعتماد اور صبر پر دلی شکریہ ادا کرتے ہیں۔

بورڈ آف ڈائریکٹرز کی جانب سے

عظیم احمد
چیف ایگزیکٹیو آفیسر

ڈائریکٹر

AL-ABID SILK MILLS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (UN-AUDITED) FOR THE QUARTER ENDED SEPTEMBER 30, 2026

1. LEGAL STATUS AND OPERATIONS

1.1 Al-Abid Silk Mills Limited (the Company) was incorporated as a private limited company in the year 1968, later on it was converted into public limited company as on December 24, 1987 under repealed Companies Ordinance, 1984 (repealed by the enactment of Companies act, 2017). The shares of the Company are listed on Pakistan Stock Exchange Limited. The registered office is located at A-34/A, S.I.T.E., Manghopir Road, Karachi. The Company is principally engaged in manufacturing and processing of various kinds of fabrics and export of printed and dyed cloth, bed sets and other textile made-ups. The manufacturing facilities of the Company are located at Karachi.

Geographical location and addresses of major business units including mills / plants of the Company are as under:

KARACHI
A-34/A, S.I.T.E., Manghopir Road, Karachi.
A-29/B, S.I.T.E., Manghopir Road, Karachi.

2 GOING CONCERN ASSUMPTIONS

The Company has curtailed off the manufacturing activities for quite some time. As a result of constant losses, the accumulated loss of the company has reached to Rs. 2.350 billion and total equity stood at Rs. 425 million, while the reported current liabilities (since partly under litigation) have exceeded to current assets of the company by Rs. 1.974 billion. These conditions indicate the existence of a material uncertainty that may cast significant doubt on Company's ability to continue as a going concern and therefore it may be unable to realize its assets and discharge its liabilities in the normal course of business. However, the management of the company believes that the company will remain a going concern in the foreseeable future.

The bank and DFI filed civil recovery suits in Honorable High Court for recovery of their lent fund. The Company filed leave to defend in the court against all such legal suits. Furthermore, the company did not accrue the markup of Rs. 26 million as matter was under litigation. Previously the company has settled and paid off the liabilities of various banks including JS Bank Limited. The matter with The Bank of Punjab has been settled and the payment is being made. Management of the Company has already requested the remaining bank and DFI collectively and individually to reschedule their credit facilities for a longer period.

As part of the Business Revival Plan, during the first phase, the Company developed a range of samples for various local and foreign buyers, several of which have subsequently been approved. Subsequent to the year end, the Company will commence production on its coating and flocking line for customers. In parallel, the Company has continued its engagement with foreign customers and has submitted samples for their review and approval, with the objective of reviving and expanding its export business.

Furthermore, the Company has commenced the import of required raw materials, including textile flock and chemicals, against advance payments. In this regard, the Company has also activated its Pakistan Single Window (PSW) portal/account with Pakistan Customs to facilitate the clearance of imported goods.

Besides production,the Company has sublet its surplus land and building to logistic companies for their warehousing and distribution purpose. This has generated additional revenue for the Company which is being utilised to maintain the plant, machinery and buildings as well as to support the repayment of bank liabilities.

Considering the above, the management of the company is confident to turn it around and to continue as a going concern. Accordingly, these financial statements do not include any adjustment relating to the realization of its assets and liquidation of any liabilities that might be necessary should the company be unable to continue as a going concern.

3 Basis of Preparation

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- IFRS Accounting Standards issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except for certain items as disclosed on the relevant accounting policies below.

3.3 Functional and presentation currency

These financial statements are presented in Pak Rupee (Rs./Rupees), which is the functional currency of the Company. Amount presented in the financial statements have been rounded off to the nearest of Rs./Rupees unless otherwise stated.

3.4 Basis of measurement

These financial statememes has been prepared under the historical cost convention, except for certiain items as disclosed in the relevant accounting policies.

4 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements in conformity with the accounting and reporting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historic experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. In the process of applying the Company's accounting policies, the management has made the following estimates and judgements which are significant to the financial statements:

a) Assumptions and estimates used in determining the recoverable amount, residual values and useful lives of operating fixed assets (note 4.1);
b) Assumptions and estimate used in provision for current tax and recognition of deferred tax ;
c) Assumptions and estimates used in assessment of discount rates; and
d) Assumptions and estimates used in calculating expected credit losses.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances.

AL-ABID SILK MILLS LIMITED

		Sep 30, 2026	June 2026
		(Rupees)	
5	**Revaluation Surplus on Property Plant & Equipment**		
	Balance at beginning of the year	2,289,044,017	2,400,539,148

10.1 The facilities consist of various types of short term finances from bank and non-banking financial institution. The facilities are secured against hypothecation charge on stocks, mortgage on factory property of Plot No. A-29/B with Land, building and machinery installed thereon and charge on book debts of the company. As fully disclosed in note No. 16, various banks have filed suit for the recovery of these loans. Previously the company has settled off most of the banks. The management is amicably pursuing rest of the bank and D.F.I for rescheduling or settlement as disclosed in note 2 & 16.
